

PAYNTER BAR OPERATING PROCEDURES 19/07/26

GENERAL:

- Hours of trade will generally be Wednesday 1700- 1930, Friday 1700- 1900 and Sunday 1700- 1900
- If there is an event on a Wednesday ie Trivia, Bingo, Dinner etc trading hours will be adjusted to suit but say 1730 - 2030. Opening times for other "Special Events" will be agreed on a case by case basis.
- Volunteer hours will commence 15 minutes prior to opening and end 15 minutes after designated closing time.
- Volunteers are asked to wear closed in non-slip shoes, name tags and their Green GemLife polo when on duty.
- There will be a designated Duty Manager on for all opening times.
- Any issues or queries from patrons are to be directed to the Duty Manager.

OPENING PROCEDURES:

- Turn the glasswasher on. Ensure drainage plug is in place.
- Set up glass scrubber with hot water and detergent.
- LOG ON to POS registers.
- Unlock all fridges and liquor cupboards. New fridges are locked by a padlock with a piece of conduit in the door track to secure.
- Collect open bottles of red from bar cupboards & place on the end of the centre fridges on a Bar runner.
- Place spirit bottles into the dispenser racks. Open spirit bottles are behind the new locked central spirits cupboard
- Place open bottles of white wine in the bar stainless steel bin & fill to about $\frac{1}{4}$ with ice from the maker in the bar. **DO NOT USE BAGGED ICE.** If, during the shift, you run out of ice there are bags in the Kitchen Freezer.
- Fill two ice buckets with ice & scoops and ready the cutting boards & knives with Lemon & Limes.
- Place Bar "Runners" on the front & side counters.
- Ensure waste and recycle bins are in place adjacent to the Bar door.
- Ensure all price lists and advertising are on display
- Place table cleaner spray bottles and cloths at northern end of the bar for patrons to clean their own tables

OPERATING PROCEDURES:

- Read back to the patron the order before completing the sale
- Ensure card payment has processed before patron leaves the bar area
- Clean and wash glasses as time permits
- Wash hands regularly using the facilities just inside the bar door and/or provided sanitiser
- When time permits do regular checks of the tables for glasses that have not been returned to the bar.
- Should additional stock be required during your shift the Duty Manager will arrange restocking.
- Record any wastage, breakages or any other issues in the notebook in the top drawer
- **If a patron is served the incorrect drink, or a glass is found to be chipped or damaged, apologise. The Duty Manager is to offer the patron one replacement drink of equivalent value at no charge. Record the incident in the notebook in the top drawer.**

CLOSING PROCEDURES:

- Duty Manager to LOG OFF (but not switch off) on Square registers, they are to be left on. Secure any small units in the Bar cupboard.
- Check tables for glasses etc
- Dispose of all rubbish into bins provided.
- Empty bins if needed. Spare bin liners are in the drawer
- Wipe down all fridges and bar surfaces.
- Disassemble glass scrubber and leave to dry.
- Glass washer to be emptied but left on (this is for the Duty Manager to revisit the next morning to wash the late return glasses (and, once emptied he/she will remove the drainage plug, turn off power then push the large wash button), and otherwise tidy the Bar areas).
- All bottles of open wine [red and white) be pumped and sealed. Place white wines back in the fridge and red wines in the cupboards behind the Bar.

- Spirit bottles to be returned to the Spirit Cupboard.
- Ensure all fridge and cupboard doors are locked.
- Wash all utensils, cutting boards etc and leave to dry.
- Duty Manager to take and wash dirty tea towels, return them when done.
